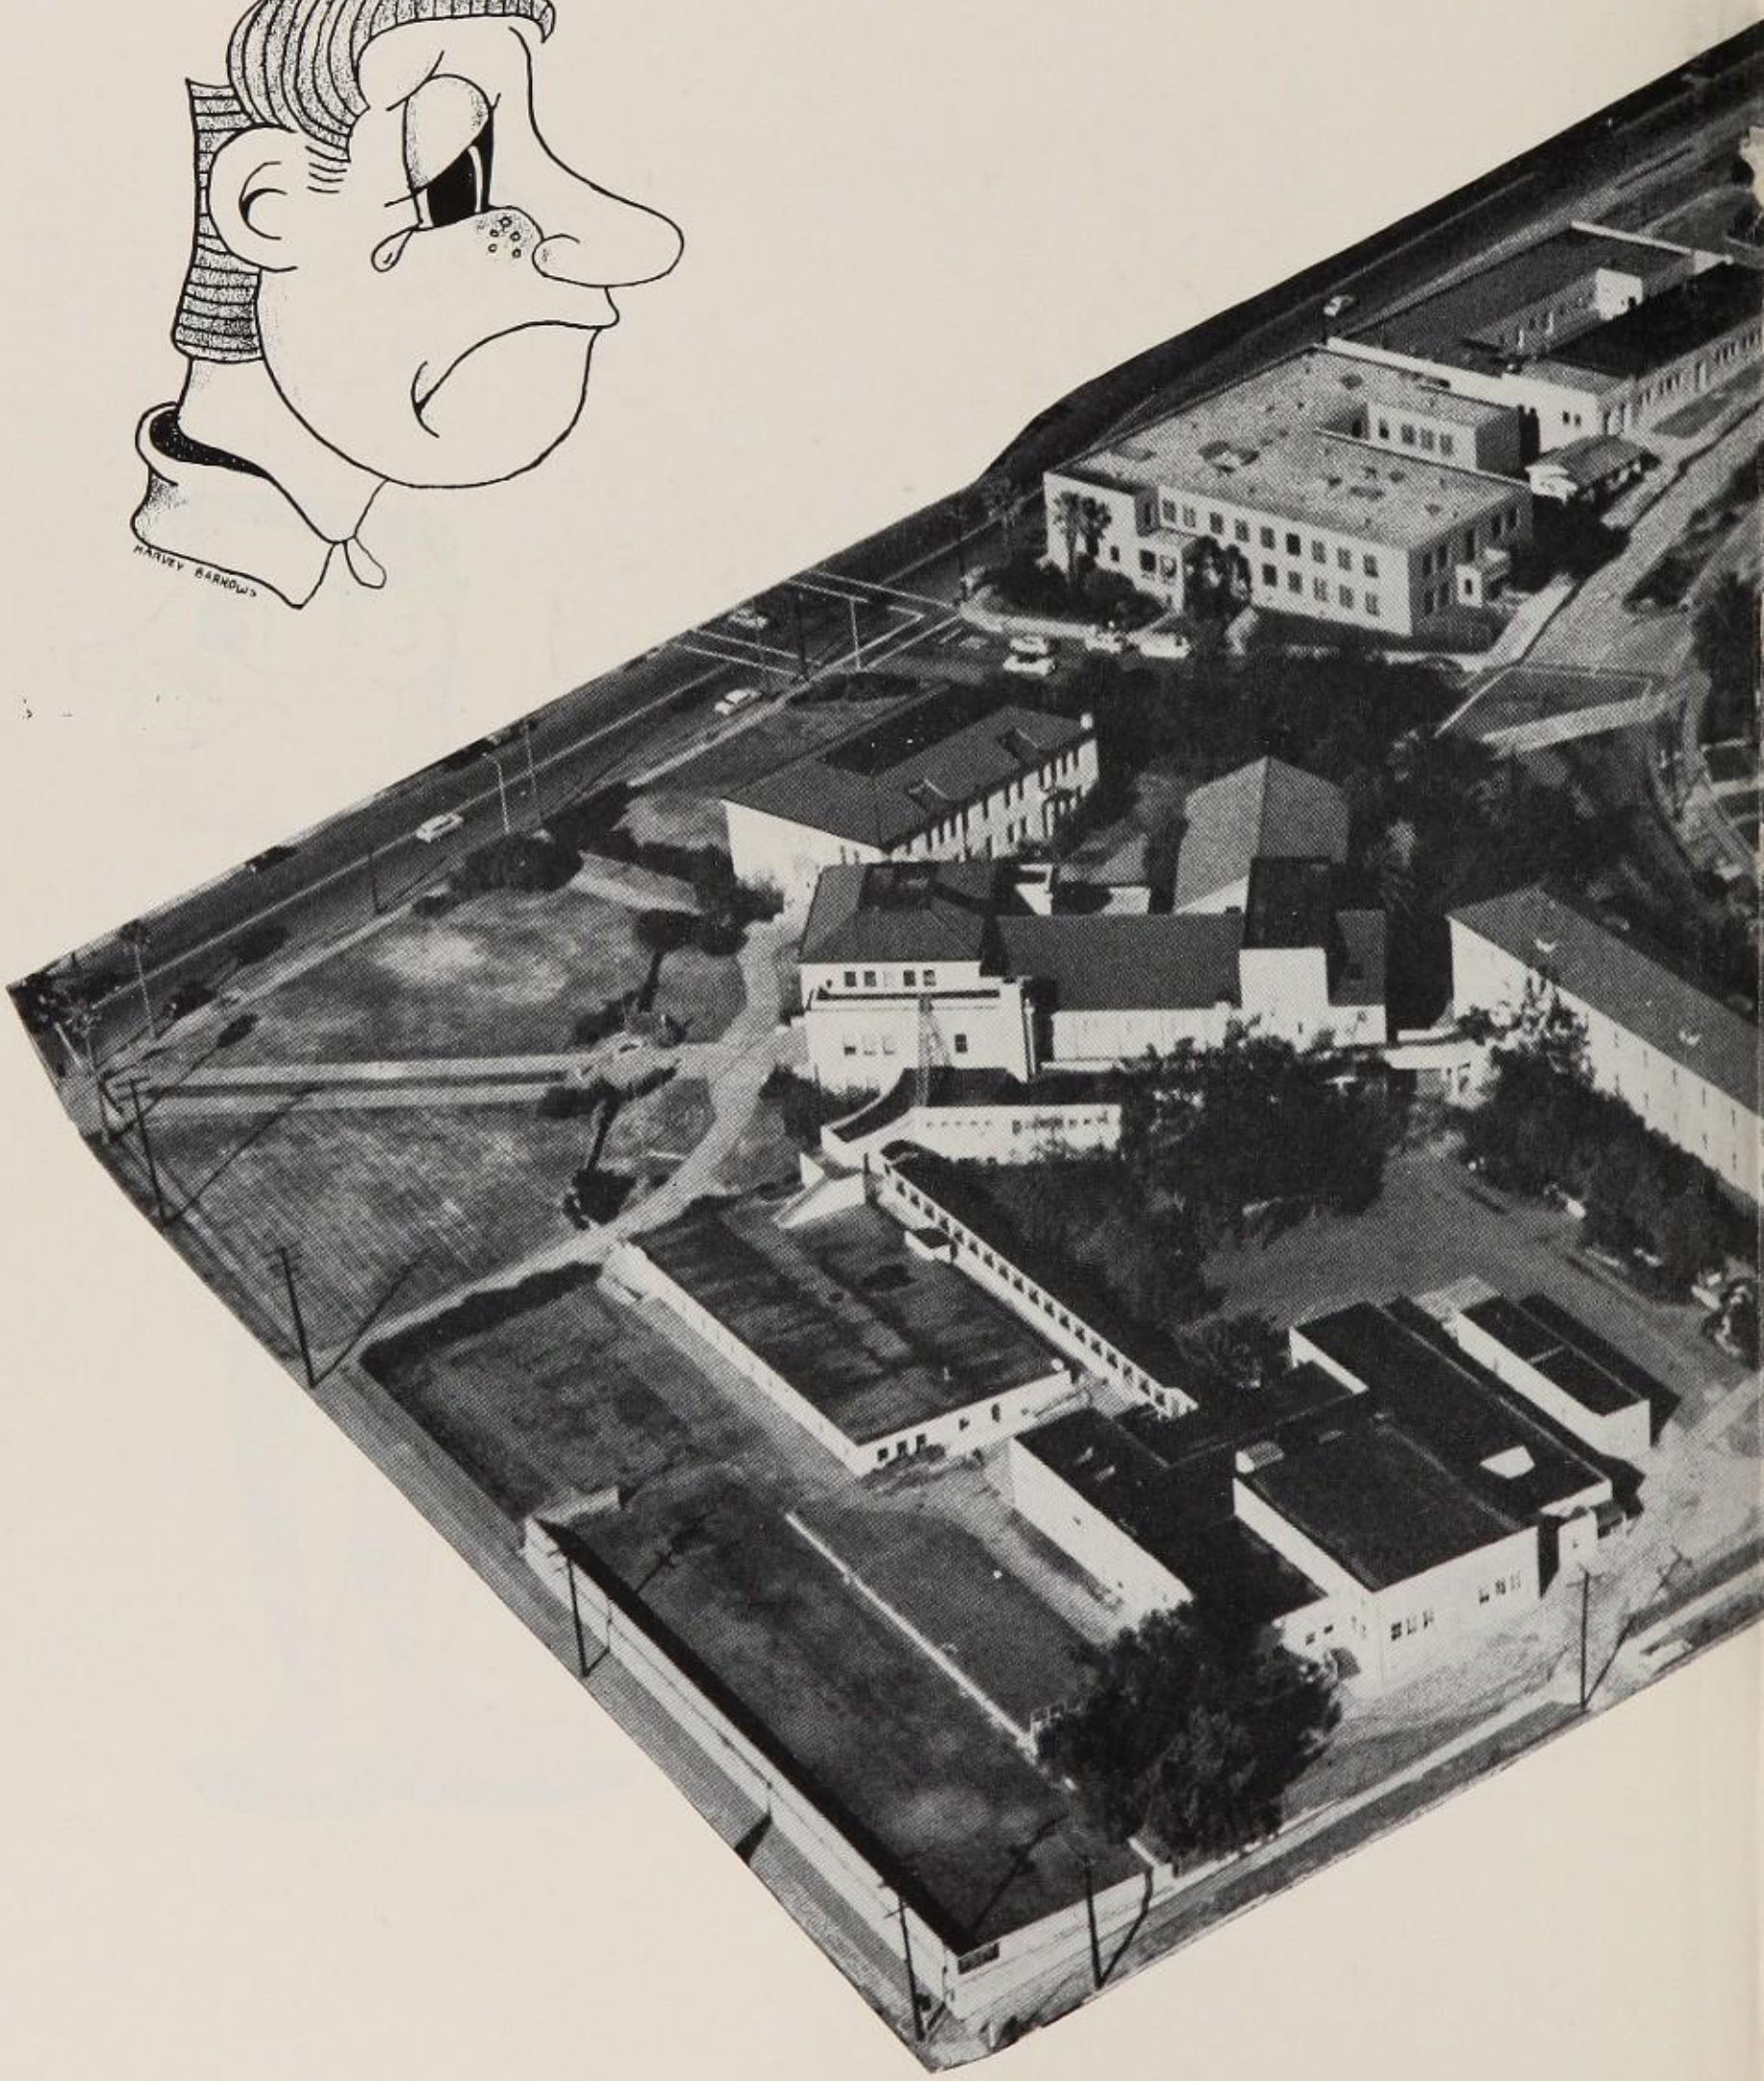
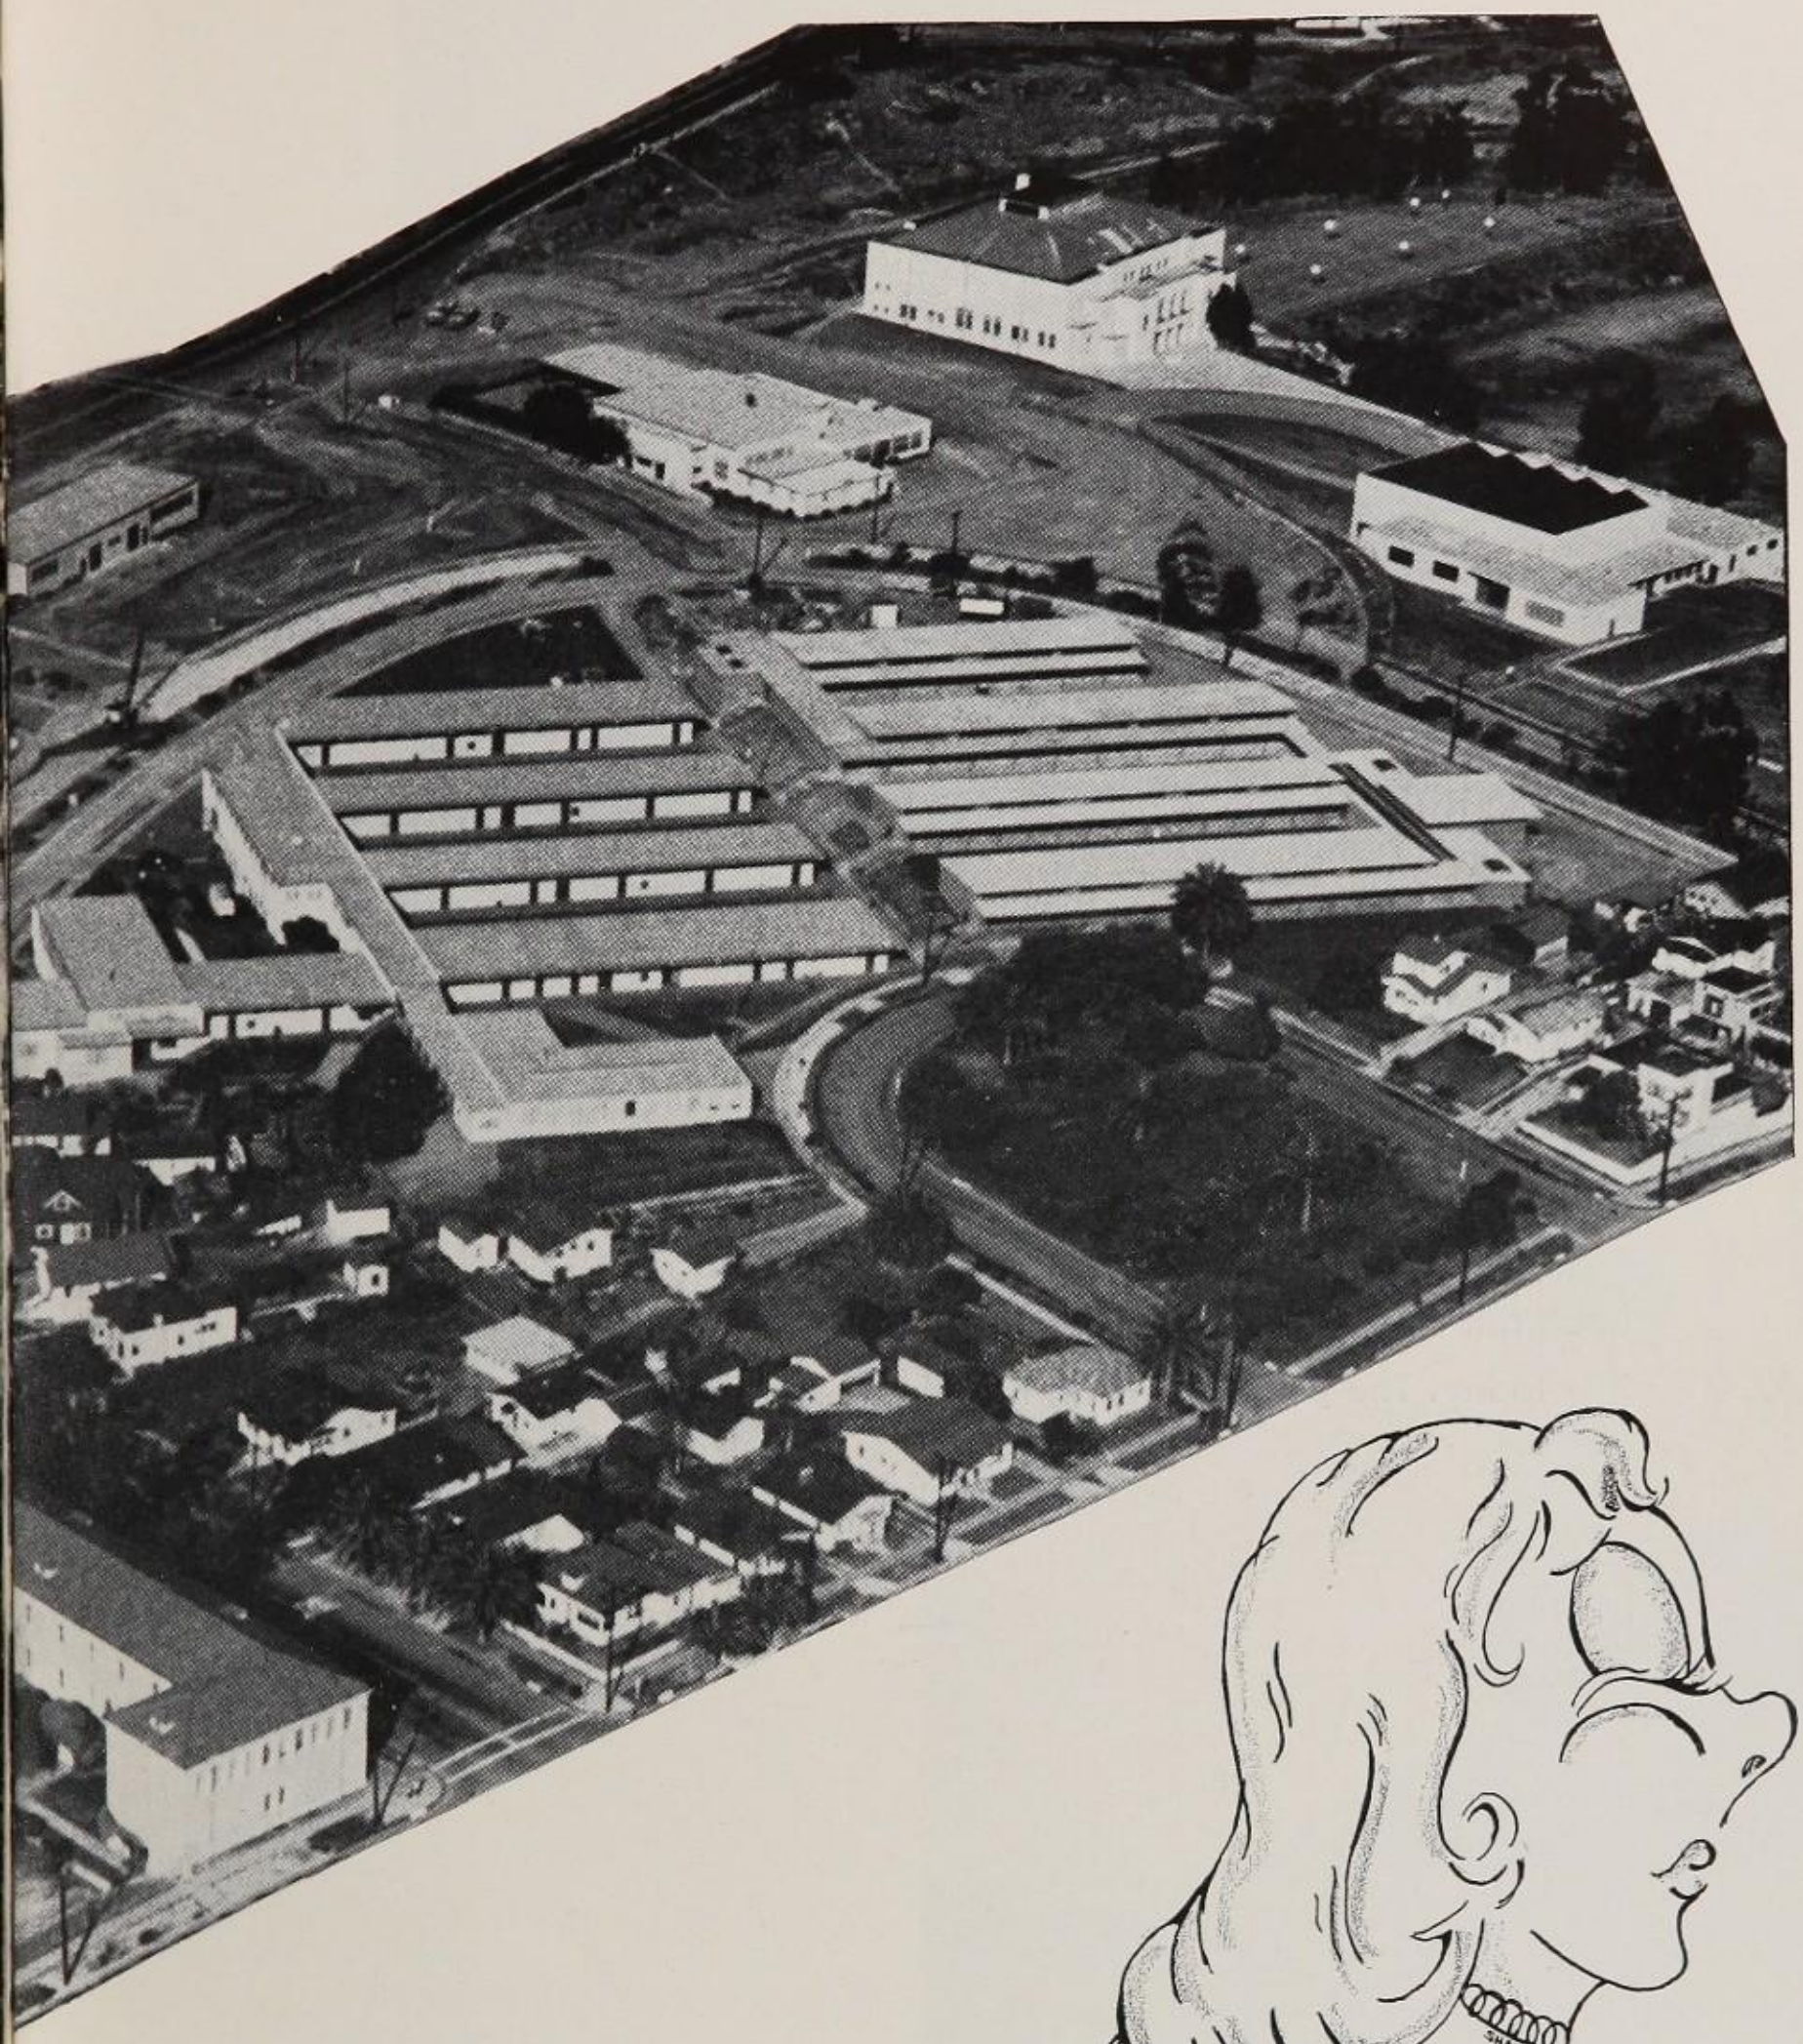
FIFTIETH ANNIVERSARY





1905 —

— 1955

This is the Golden Anniversary of the establishment of Redondo Union High School. The PILOT records in its 1955 issue, the size, shape and spirit of the Seahawk's nest, marking the close of a half-century of achievement and looking forward to another golden fifty.

Last year the PILOT presented glimpses of the past; this year the yearbook attempts to picture the campus as it is today. The emphasis is on now.

LOST, strayed or stolen: one rally lawn. Finder may return and no questions asked.

FOUND, one more shady nook for lunch hour smoochers.

FIFTIETH ANNIVERSARY

1905 — 1955

In 1905 Redondo Union High School offered two courses, one, college preparatory and the other, commercial. Today the high school boasts a wide variety of subjects and innumerable modern facilities which enable future job holders to enter their professions well prepared. In her fiftieth year Redondo's campus, with nine completed buildings, is being remodeled to hold two more. The Seahawk emblem now stands as a symbol of high scholastic achievement, and many Redondo graduates are continually becoming leaders in their chosen fields.

THE PUSHER AND SHOVER

CAMPUS COMPLICATIONS

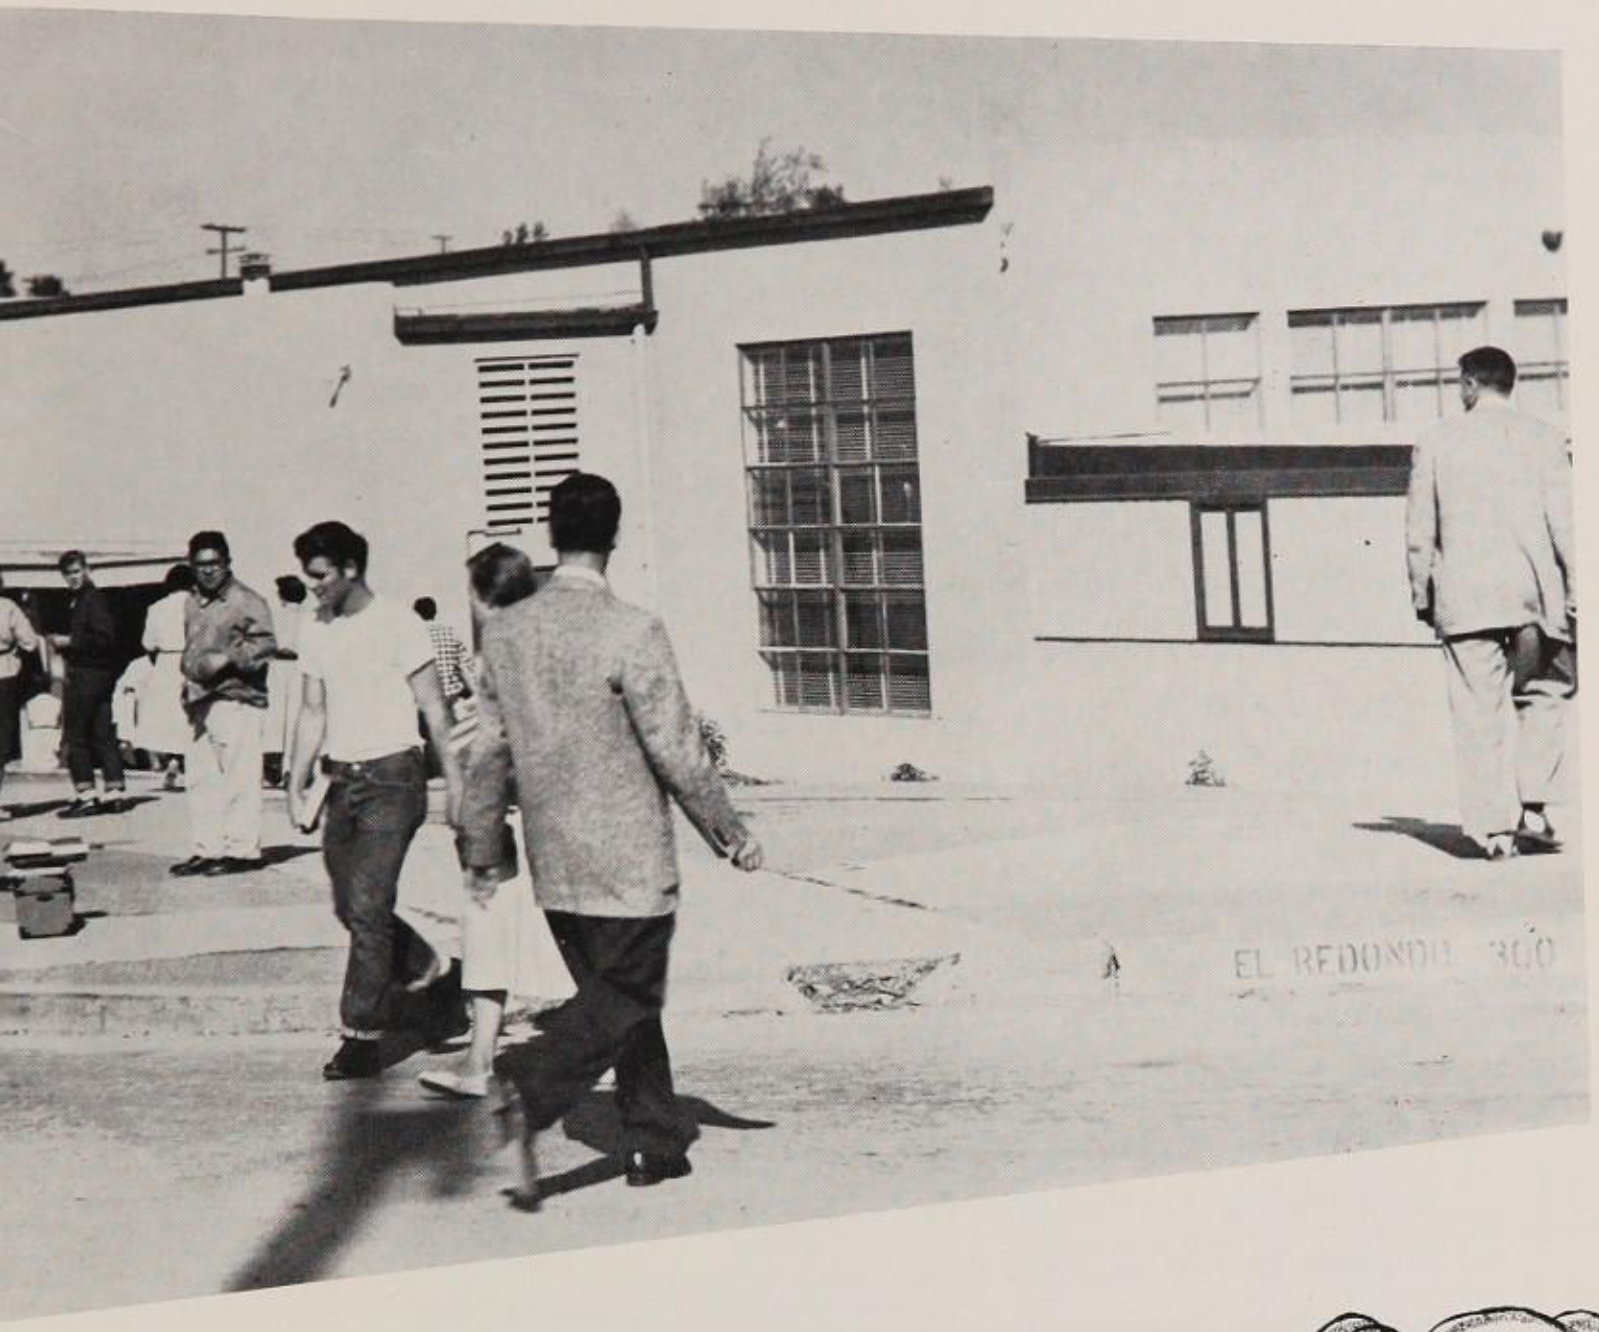
page 61

The campus in the last fifty years has behaved like an amoeba. First it included one block of campground at the corner of Diamond and Elena. Then it built and rebuilt that area, pulsing and surging, up, down and around. It burst across Francisca, and it split off a separate entity for the Seahawk Bowl. Next, the two parts grew together, both spreading up the hill. This year, with the areas firmly joined, there seemed nothing to do but to shove the top of the hill down a little and take out those silly old streets that weren't good for anything but parking, anyhow.

THE PUSHED AND SHOVED

ACTIVITIES

FIFTIETH ANNIVERSARY



1905 — 1955

The first fifty years have brought the high school a fascinating range of student activities. Today's directory of clubs, organizations, and activities is the result of growth and change. For instance, plays have been produced here since 1910, a cheer leader has been standard equipment since there were more than two students to raise their voices, **Comites Romanorum** led all the other clubs into existence, and student government began in '10, and remodeled in '24, and in '46, and in '54. Hobby and service clubs have been multiplying in the last forty years although this is one of those rare years when they actually run the gamut from soup (F.H.A.) to nuts (The Masters). Moreover, dances have all but replaced the earlier custom of giving a banquet. So the PILOT presents the activities of the Anniversary Year, the curricular and extra-curricular program for 1955.

SEPTEMBER: **Mathematical headaches in the making**—tax dollars build two new wings, to be opened at mid-year.

OCTOBER: **Greetings and salutations in writing**—Girls' League's annual "Hello Day" makes signature collecting enjoyable and profitable prior to the big game, the climax of Red and White week.

NOVEMBER: **Grateful hearts are international**—Thanksgiving assembly, one of the more serious moments of the year, includes American Field Service exchange students.

DECEMBER: **What . . . no Santa Claus!**—the administration building houses the tree complete with large contributions of food donated by students to the less fortunate.

JANUARY: **It begins to look like an electoral college**—selecting student body officers is like the national election.

FEBRUARY: **It isn't Lily Pons**—the boys give forth at rehearsal of the Varsity Show.

MARCH: **And fifty years makes the difference**—the winners of the best costume awards at the Golden Jubilee Dance, are a far cry from today's students.

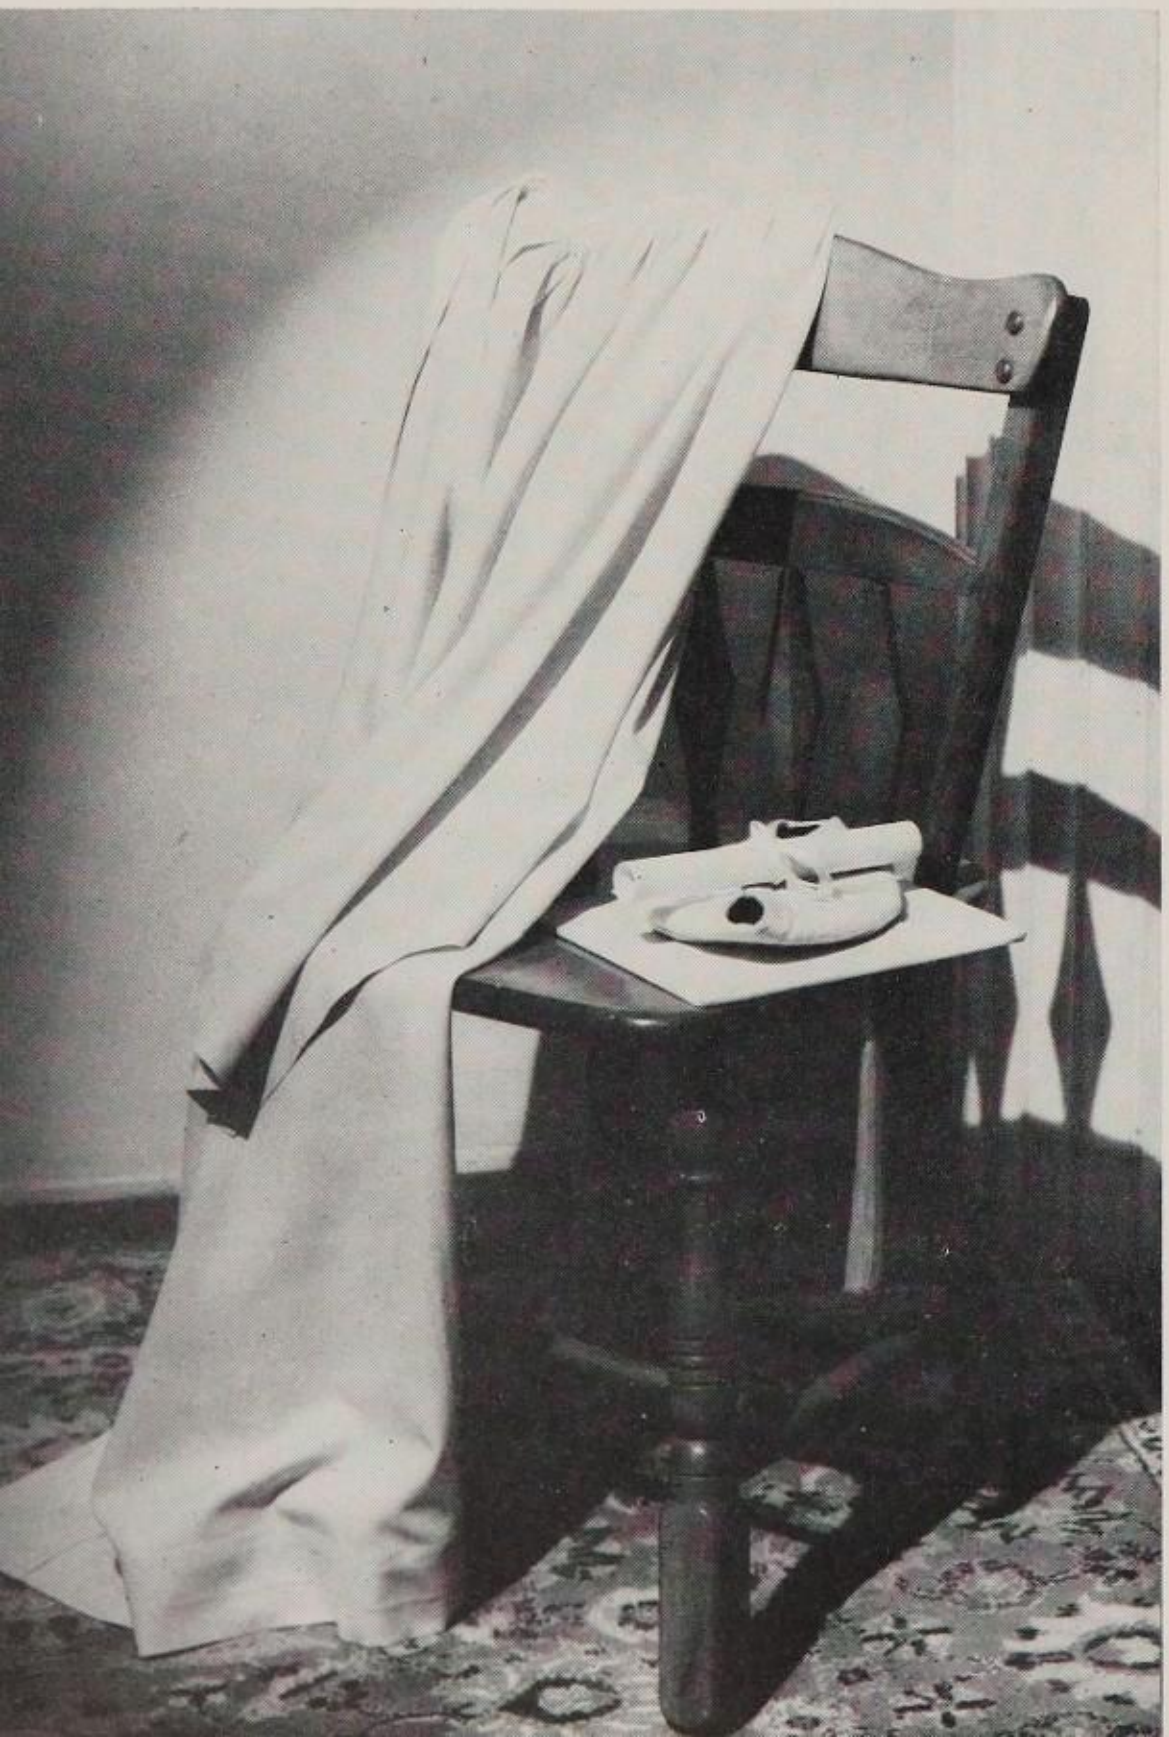
APRIL: **Everything we are or ever hope to be is based entirely on chemistry**—Open House provides the opportunity for parents to view the inner sanctum.

MAY: **Crepe paper and chicken wire create a masterpiece**—all but the senior girls work to produce the setting for the annual Co-ed Ball.



JUNE: **Though hard won, the triumph is but a fleeting moment**—after graduation exercises the gown and mortar board are soon discarded.

STUDENT GOVERNMENT

The HOUSE of REPRESENTATIVES was started in order to give Freshmen, Sophomores, Juniors and Seniors an additional body in which to introduce constructive ideas and to voice student opinions. School problems are discussed and recommendations are made to the Associated Student Body Council whenever possible. The vice-president of the student body is the presiding officer of the House of Representatives. Each member represents sixty students of his particular class. The House of Representatives also sponsors worthwhile school activities.

BOYS' COURT OFFICIALS for 1954-55 were Ralph Marsh, sergeant-at-arms; Brent Banta, assistant judge; Paul Valenzuela, lower class juror; Pat Hale, secretary; Dave Neal, upper class juror; Bon Dawson, treasurer; Bob Cody, vice-president; Ken Nakauchi, president; Roger Weber, judge; Laddie Conger, upper class juror; Ted Muegenberg, lower class juror; and Eddie Nelson, lower class juror.

JUSTICE

Democracy is important for the success of any organization. The RUHS Boys' and Girls' Leagues are completely dependent upon the students. They determine all rules and regulations and enforce all they establish. Punishment for offenses is decided by the Girls' and Boys' Courts which are presided over by the officers elected by the respective leagues.

The judiciary body of the Girls' League consists of Donna Hughes, sergeant-at-arms; Vickie Mann, lower class juror; Shirley Harrison, president; Barbara Burkhart, upper class juror; Scottie Colton, upper class juror; Nancy Cherry, upper class juror; Roberta Bartley, judge; Cha Cha Valenzuela, lower class juror; Pat Williams, recording secretary; Linda Golding, lower class juror. Not pictured: Yvonne Campeau, assistant judge.

GIRLS' LEAGUE page 76

Leadership is important among the members of the Girls' League. Elected to serve as 1954-55 president was Shirley Harrison. The association engages in many activities, traditional ones being big sisters for the incoming freshmen girls in the fall, and Hi Jinks and Co-Ed Ball in the spring. Since its formation in 1915, the organization has risen to be one of the wealthiest leagues in Southern California, and established a reputation for high standards that is respected throughout the southland. Miss Rous is the adviser.

SERVICE TO THE SCHOOL is the requisite for membership into Key Club, Semper Comites and Cognotai, Redondo's three honor societies. Comparatively new, Key Club was first instituted in 1950, for junior and senior boys. President for 1955 is Gary Garner. Various activities include acting as guides at functions and helping to enforce school rules and regulations. Semper Comites is an honor society for senior girls. Headed by President Joanna Harrington, the 1955 enrollment includes twenty-six members. The group sponsors the Red and White Dance, contributes much in service to the community through visits to children's homes and hospitals. Cognotai includes junior and senior girls who engage in similar activities to those of Semper Comites, with the added responsibility of keeping order during all Girls' League meetings. Naomi Brefka is the president.

C.S.F.

Members qualify for the California Scholarship Federation via the report card route. Those accepted have accumulated ten grade points for a semester. Successful candidates must not have an "Incomplete," nor an "Unsatisfactory" in citizenship.

Distinctions in membership are also based upon grades. Students having an "A" grade in five solids are rated Summa cum laude. Those earning an "A" in four solids are considered Magna cum laude, and those rating an "A" in three solids and a "B" in one, Cum laude.

The president of the chapter is the student who has the highest grade average at the end of his junior year. He is also the Mantle Bearer, a position unique to this high school and older than the C.S.F. itself. The mantle, symbol of office, bears the initial of its wearers each year since 1911. Chapter 101 of the C.S.F. came into being in 1923.

RED AND WHITE DANCE

A FOOTBALL FIELD, diminutive in size, carried out the theme for the annual Red and White dance. October 18-22, was the traditional Red and White Week set aside to promote spirit for the opening of football season. The sports dance, sponsored by Semper Comites, climaxed the week on October 23.

Joining in the fun and conveying spirit at the annual Red and White Dance were many Hawksters as they danced to the music of the "Continentals."

VARSITY DANCE

STAG OR DRAG . . . it never mattered at the after game dances held in the cafeteria after every home athletic event. Sponsored by the student body, the four classes alternated in the management of the dances. Hi-Jinks, the only all-girl party of the year, was held May 6. Skits and booths designed around the theme were presented in honor of the senior girls. The seniors walked away with the first place ribbon for the best skit, while the juniors received the blue ribbon for their booth.

The following night saw Shirley Harrison and Dick Keelor don the purple robes of royalty and gold crowns of honor as king and queen of the Coed Ball. Shirley was chosen by popular vote of the girls, while Dick was chosen in like manner by the Boys' League. Making its debut on March 17 at a matinee performance was the 1955 junior play "Men Are Like Streetcars." Double cast in the lead of Maudie were Scottie Colton and Jo Ann Barton. Maudie's meddling brings up some somewhat embarrassing incidents which makes for laughs abundant, and a successful play. The 1955 junior play was performed before one of the largest audiences ever attending a class play.

SEVEN KEYS TO BALDPATE

A mysterious melodramatic farce, "Seven Keys to Baldpate," was the 1955 senior play, presented here November 5 and 6. A bet was what prompted Magee to go to Baldpate Inn one stormy night, to write a play in twenty-four hours. Excitement and humor reign as six more keys to the inn are held by gangsters, blackmailers, hermits and, of course, a girl.

Country Style

Take a little country girl from a quiet country town . . . take Hollywood with its glittering lights and gay, fast moving people . . . put them together and you have "Country Style," the 1955, all student produced Varsity Show. Original script for "Country Style" was by Yvonne Campeau and Diane Berry. In the leads were Kim Guyman and Tom Smothers.

Commissioner of entertainment, Tom Little, was student director with Mr. Ralph Delzell as faculty adviser. This year's show proved to be among the top Varsity Shows in Redondo's history.

The Varsity Show is the only student show of its kind on the campus, with its entirety, from script, choreography, and direction, handled by the students. This year's show also included an original song by one of the co-authors, Diane Berry, entitled "Hayride in the Country."

Although the 1954 edition of the Red & White did not quite measure up to the pace set by Seahawk elevens of the past, the game desire to win and the tremendous spirit which symbolizes a championship team still prevailed. The squad met some of the toughest competition in Southern California by playing the two celebrated CIF powers, Centennial and Santa Monica. The Apaches along with the Paramount Pirates are newcomers to the Bay League this year, and it goes without saying that their presence has made the loop scramble more rugged than ever. Kenny Nakauchi, Redondo's fiery little halfback made his varsity debut an extreme success by capturing a berth on the All-Bay League Team.

This year's Beehawks, after an opening victory over Downey never quite recovered from a mid-season slump and had to be content with victories over Downey, Centennial and Inglewood.

BASKETBALL

The 1955 Bay League season proved to be a huge success for the cagers as Redondo placed three of its four entries in the first division. The VARSITY, following a first round win over Torrance, lost their next four games. In their remaining seven tussles, the Seahawks rallied to bag six out of seven triumphs and a third place berth in the final standings. The only loss in the final eight games came at the hands of unbeaten Inglewood where Rex Hughes and the Sentinels' Dick Buckelew hooked up in one of the most thrilling battles of the year.

The JUNIOR VARSITY, after a slow start came back to win four of their last six games, including a last second triumph over the same Inglewood five which had earlier beaten them decisively.

Coach John Kincannon's BEEHAWKS rallied to sweep their last eleven games to capture the Bay League crown with a 11-1 record. Wayne Smith scored 42 big points in a single game to highlight the season.

The CEEHAWKS led by Bob Gobel and Ronnie Sickles swept through all opposition with nary a defeat while capturing the Bay League championship with a sparkling 12-0. record.

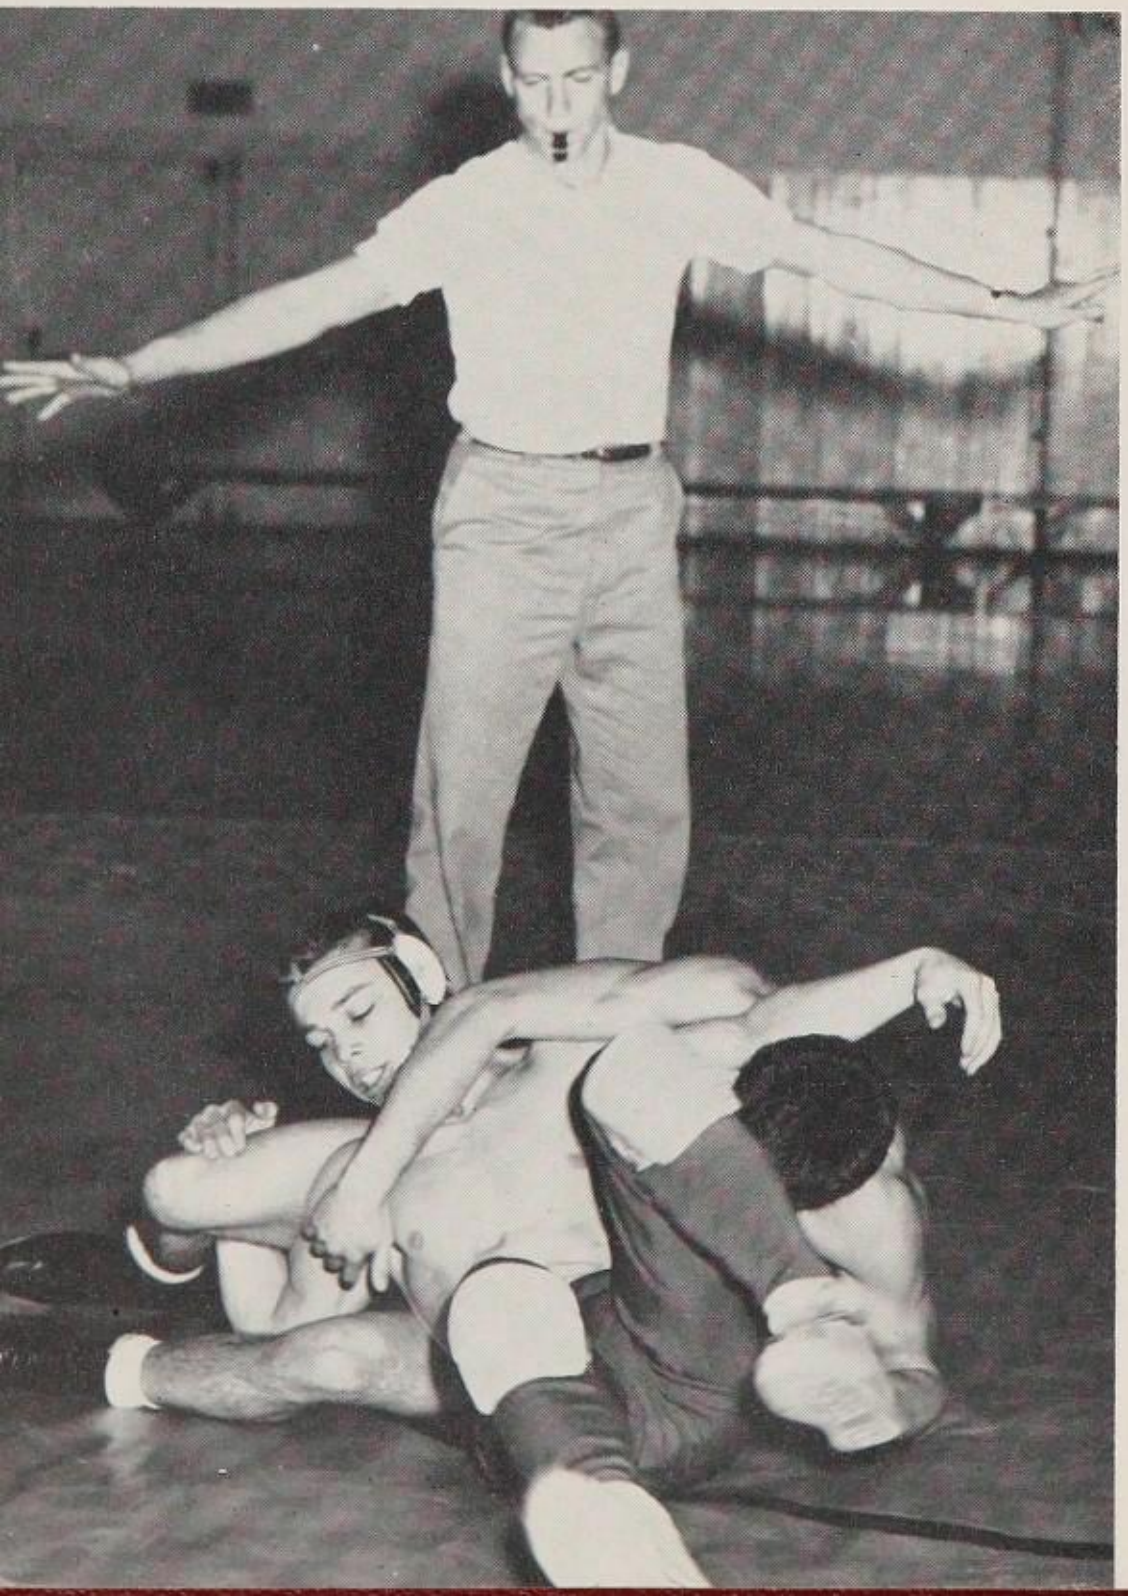
WRESTLING



For six consecutive years, RUHS matmen have topped the Boy League, and for two seasons were second only to C.I.F. champion, San Diego. The '55 season was no exception as Coach Mike Burley's wrestlers easily took Bay League honors and remained serious threats to Southern California champion, Whittier. Mike Coyle, Frank Addleman, and Dick Keelor went on to gain second place laurels in California Interscholastic Federation.

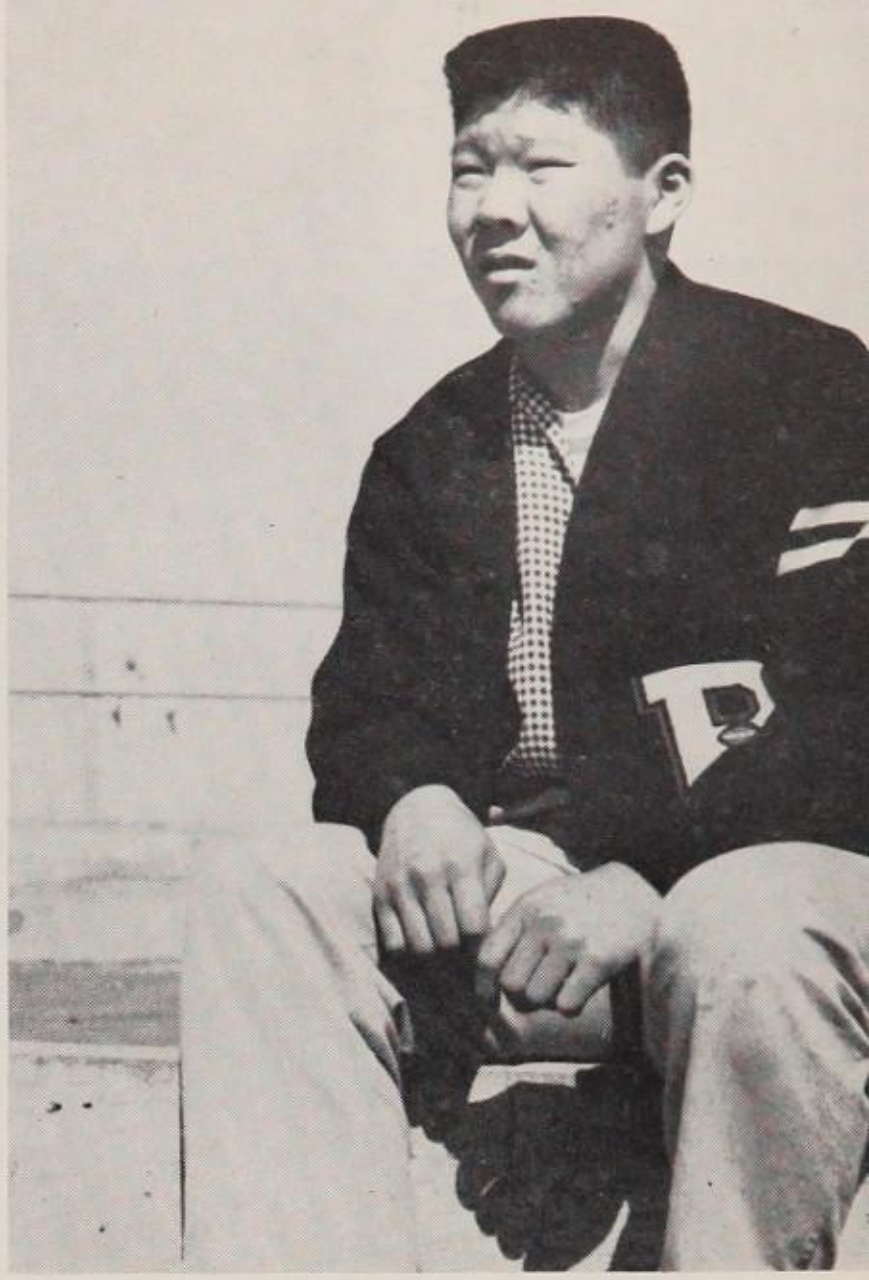
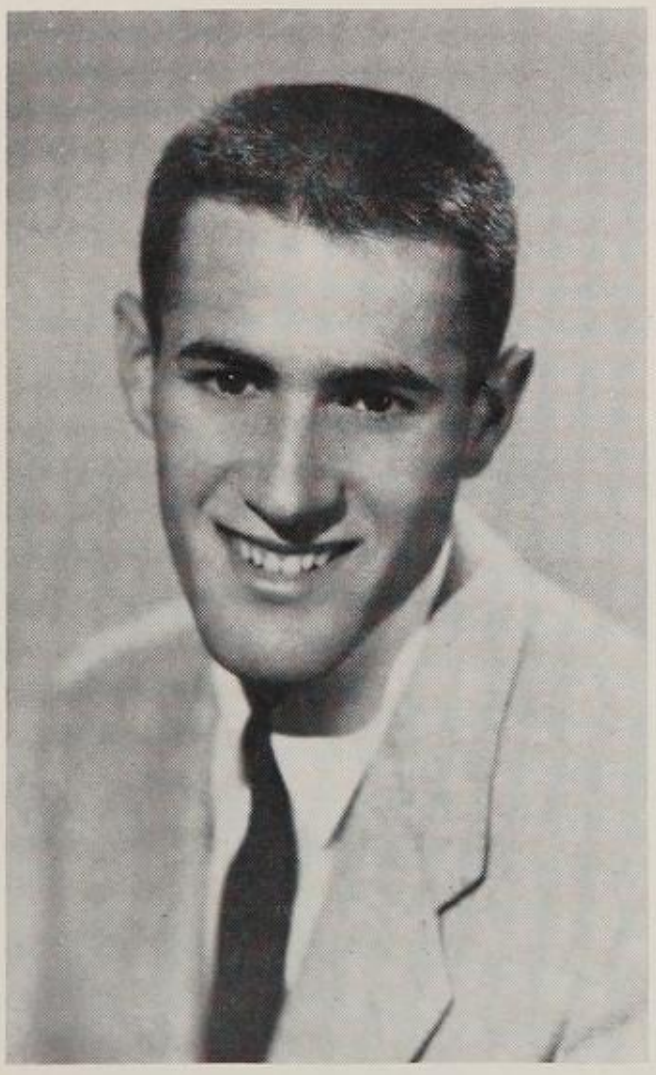
In being named to the mythical All-Bay League Football Team, Left Half Kenny Nakauchi accomplished a feat that all football players dream of but seldom ever attain. Moreover, this was Ken's first year of Varsity football after three seasons of outstanding competition with the Beehawk eleven. In achieving this honor Ken did all the punting, the punt and kickoff returning for the Seahawks in addition to playing a whale of a game at his left half position. Kenny deserves much praise for this tremendous accomplishment in that the Bay League always provides some of the stiffest competition in the state while producing many excellent players who make up the college gridiron rosters year after year.



BAY LEAGUE LUMINARIES



In his three years as a Seahawk, Rex Hughes has set many records and accomplished many feats both on the gridiron and on the basketball floor. For his excellent sportsmanship, leadership and all-around playing ability in the cage sport during the 1954-55 basketball season Rex very deservedly received the honored distinction of being named to the All-Bay League Basketball Team. While setting his great record of a 19.6 point average per game, Rex topped all the rugged players he faced in addition to leading the Redondo hoopsters to third place in the Bay League standings. This is Rex's third year of Varsity basketball after coming up from the Bees to replace Harlan Geach in the championship finals when the latter came up with an injury in 1952.

VARSITY TRACK, top row: Perley, Goss, L. Sturges, Marsh, Higbee, Hoyem, Delight, Chaffee, Seifert, Denny. Bottom row: Neal, Salatino, Dailey, Nakauchi, Gonzales, Strobel, Bean, Smothers.

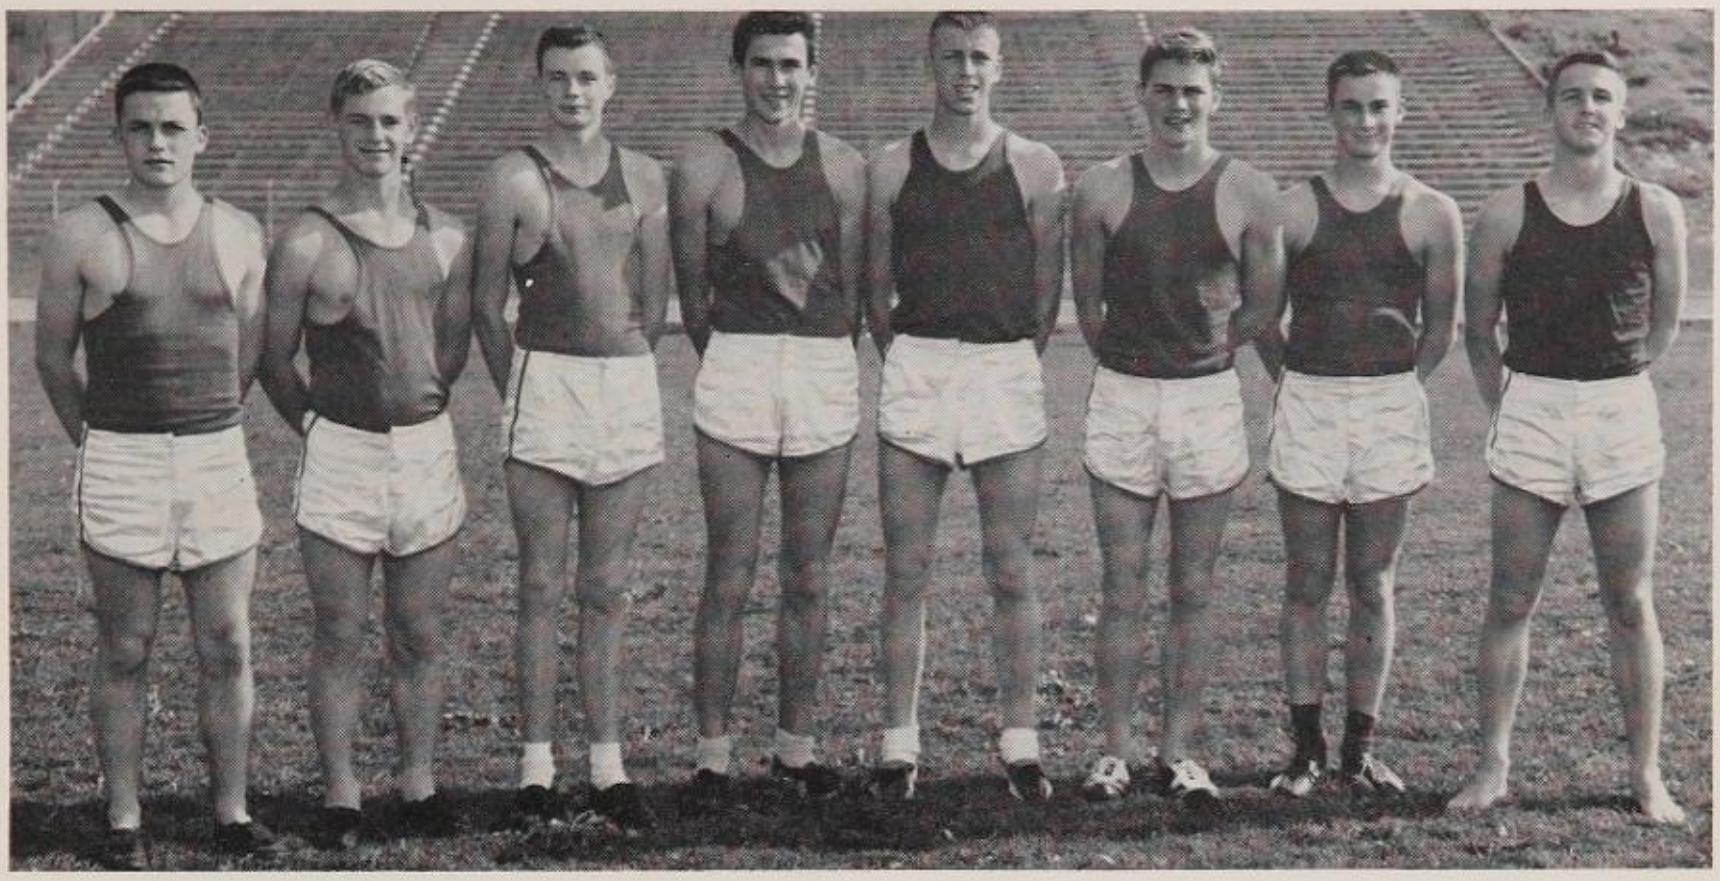
TRACK

Although the Bay League track competition was completely monopolized by Centennial's Apaches, Coach Russ Striff's Sea Hawk cindermen provided some very tough opposition, particularly in the Bee and Cee divisions.

In the Varsity doings, the Redondo aggregation had one outstanding performer in Larry Sturges, who, in addition to running the 440 and relay, competed in the 220 where he stacked up a 21.7 clocking, good enough for a fifth place ranking in CIF.

The Bees, who were second to the Apaches in the league finals and topped practically all opposition throughout the season, were particularly strong in the 1320 where Ted Dale gave the hometowners a hearty contender. Dale in the finals at Inglewood, pulled out from the rest of the field and won going away, reminding many of the onlookers of the form exhibited by his father twenty or twenty-five years ago.

BEE TRACK, top row: Simmons, Solis, Whittlesey, McCann, McDonald, Scrivens, Harvey, T. Johnson, Lemen, Troxell, Hanneman, Freeman, Bolex, Young. Middle row: C. Front row: Combs, Conger, Homes, Douillard, Little, Dale, Johnson, Davis, Elkins, Garner.



CROSS COUNTRY: Little, Iwohn, Scrivens, Higbee, Delight, Chaffee, Whittlesey, Dale.

TRACK

Ted Muegenburg, a stocky sophomore who runs like a tank, was the big gun for the Cees, winning every 880 event that he competed in throughout the '55 season, in addition to being the anchor man on the relay team. The Cees went undefeated, running over all comers until Centennial upset the Redondo-ites in the Bay League finals.

CEE TRACK—top row: Muegenburg, Bell, Santee, Scott, Gobel, Sickles, J. Freeman, Garret, Lindsay, Schaeffer. Middle row: McConnville, D. Conger, Green, Davis, D. Hartley, Shirdlu, Nelson, Thomas, Cox. Front row: Croft, Coyle, W. Little, Sutton, Hacsi, E. Olivas, Trimble, Bushelle, Olson.

BASEBALL

page 132

With baseball's rarest feat, the successful execution of the triple play, highlighting an action-packed 1955 season, Coach Bob Cardona's Seahawk horsehiders showed onlookers a promising ball club as they met some of Southern California's stiffest competition. The Redondo nine played with a young squad composed almost entirely of sophomores and juniors, the lone exceptions being Brent Banta and Harlow Irvine, who performed in utility roles. Some of the younger ballplayers, namely Pitcher Jack Beattie and Catcher Louis Cook impressed many of the so-called experts who are predicting a bright future for Cardona's team.

The aforementioned triple play occurred in the first Torrance Tartar engagement at Memorial Field after Beattie had loaded the bags with nobody out in the top half of the eighth inning. The Seahawks went on to win the encounter in their half of the frame, as Walt Burris doubled and the Torrance hurler, Tom Vanderpool, forced in the deciding tally when he walked the next three batters to face him. At the PILOT deadline, the Bay League standings had not been determined since the season did not close until the latter part of May.

Coach Bob Hall's JVs ran into a streak of bad luck when they dropped many of their decisions by one and two runs after an early season victory spurt.

THE
LIONS' CLUB
of
REDONDO BEACH

The Lions' Club of Redondo Beach was chartered thirty-one years ago and during each of these thirty-one years this club has been an enthusiastic supporter of the Redondo Union High School and all of its many activities.

This past fall marked the twenty-eighth year that our organization has sponsored the annual Football Banquet to honor the Varsity football team and the Senior Bees. It is the hope of our club that we will be privileged to sponsor this same festive affair for the next twenty-eight years.

Each year a representative from Redondo Union High School serves as an honorary member of our Lions' Club. This year we had the distinct pleasure of having your Mantle Bearer, Brent Banta, as your high school representative.

We also sponsor a speaker's contest each year and representatives from Redondo Union High School appear before the local club to determine the local winner, and this winner then goes on to the zone contest to compete with representatives from other high schools in the area. We have never failed to be proud of the speakers sent to us from Redondo Union High School.

Each spring at graduation the outstanding boy and the outstanding girl, as selected by the faculty of Redondo, is presented the coveted Lions' Club Good Citizenship Award.

Several years ago the boys' "R" Club of Redondo Union High School wished to show their appreciation of the Lions' interest in their activities and made available to the local club the proceeds of the football programs sold at one of the outstanding games each season. The proceeds derived from the advertising and from the sale of the programs is used exclusively for our Sight Conservation project. This project is one devoted to seeing that youngsters who are financially unable to purchase necessary glasses and to receive necessary medical treatment are properly cared for.

We wish to extend our best wishes to the graduating seniors of 1955 and we are looking forward to the extreme pleasure of following the activities of the returning underclassmen who we are sure will have another fine school year in 1956.
